### Vandalproof Infrared Dome Camera

The Active Vision ACC-V04N-EH4D is a versatile indoor/outdoor vandal dome camera that can be used in a variety of CCTV applications and offers outstanding quality. The advanced lens system uses a revolutionary through-hole technology which allows the lens to pass through the lens cover eliminating IR glare for unmatched night time viewing and is designed for 24-hour surveillance applications. The ACC-V04N has a weatherproof metal case that

can be ceiling or wall mounted and easily adjusted on any horizontal or vertical surface.

### Features

- Super High Resolution 750TVL
- Weatherproof Metal Case
- Impact Resistant Housing
- Night Vision with 24 Infrared Emitters
- Advanced 3-Axis Rotation Design
- OSD Camera Configuration Menu
