### True Day / Night Starlight Varifocal Vandal Dome Camera

The Active Vision ACC-V10N-VHVD is a versatile indoor/outdoor vandal dome camera that can be used in a variety of CCTV applications and offers outstanding quality. True Day / Night without infrared emitters, 0.001 low Lux. The advanced vari-focal lens system can be easily adjusted to zoom and focus the camera. The heavy duty polycarbonate dome can withstand blows from a 10lb sledge hammer. Equipped with a solid metal base and tamper proof design this camera a must for vandal prone applications and is designed for 24-hour surveillance. The ACC-V10N has a weatherproof metal case that can be ceiling or wall mounted and easily adjusted on any horizontal or

vertical surface. **\*\*Does not work in absolute darkness\*\***
