## PRODUCT OVERVIEW

ACCUPROOF™ Print Check is a versatile solution for quick and accurate proofreading of digital and printed copy in a time sensitive environment. Print Check utilizes a robust image comparison algorithm to quickly and accurately identify and highlight differences between Master and Sample documents.

## FEATURES

- Identify and Highlight Copy Differences
- Digital Overlay, Toggle, and Subtraction
- Easy One-Button Load and Compare Process
- Quickly Analyze Results via Digital Markers
- Scanner and Camera Acquisition Devices
- Comprehensive PDF Reports

Results are displayed in a 3-pane window; Standard, Sample, & Difference Map.
