## Welcome

Welcome to Medical Laser Services Corporation (MLS). At Medical Laser Services Corporation we specialize in articulated arms, optics, accessories and attachments for medical laser systems. We are able to repair or provide new articulated arms for most major systems manufactured. [Click here](#) for a list of manufacturers whose products we service and support.

## Our Mission

Medical Laser Services Corporation is dedicated to provide repair services or new articulated arms that will meet or exceed the original specifications. Every customer order will ship on time, every time.
