

Overview

Buck Scientific tests each hollow cathode lamp at our Norwalk CT manufacturing facility on our new Atomic Absorption spectrometers before shipping them out to customers. All lamps have a 6 month warranty against manufacture.

- *All lamps are Hollow Cathode Lamp 1.5" Uncoded*

Aluminum (AL)	Lanthanum (LA)	Silicon (SI)
Arsenic (AS)	Lead (PB)	Silver (AG)
Barium (BA)	Lithium (LI)	Sodium (NA)
Beryllium (BE)	Lutetium (LU)	Strontium (SR)
Bismuth (BI)	Magnesium (MG)	Tantalum (TA)
Boron (B)	Manganese (MN)	Tellurium (TE)
