HDMI

Alysium-Tech offer external HDMI assemblies (and components) for Industrial and consumer products:

Introduction

- Compact, user-friendly design-meets consumer equipment needs.
- 1.4 compatible
- 5 Gbps bandwidth-supports uncompressed audio/video in a single cable.
- HDMI-DVI cables-DVI backward compatible.
- Mounting flange-protects solder joints; additional grounding.
- Signal layout-low impedance mismatch.
- Fully shielded-ESD protection.

Both passive and active assemblies are offered, to ensure that all application requirements can be fulfilled.
