MeltView **MIRA3**

Visualize and analyze

PAW   LBW   GTAW
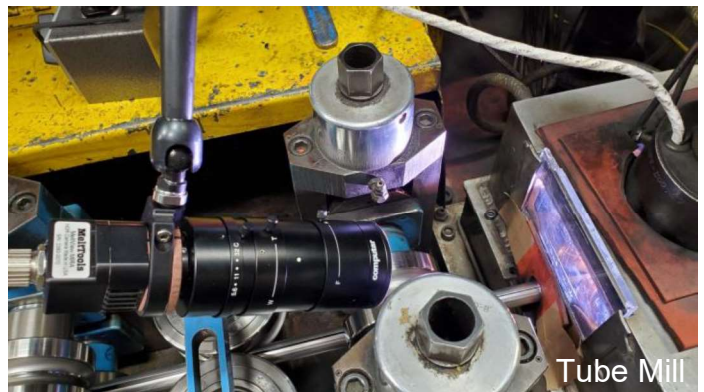

Applications

- Bellows welding
- Micro welding
- Pipe mills
- Tube mills
- Laser processes
- Specialist applications

Bellows view

Tube Mill

Features

- **High quality image** of GTAW, LBW and PAW processes.
- **Automatic switching** between welding and non welding modes
- **Camera displays direct to monitor** Simplest and best value system on the market
- **1080p resolution, color or monochrome**
- **Field of view customized to application**, macro to wide angle
- **Range of transmission systems** (wireless, fiber, flex, off-the-shelf copper)
