SPECIFICATION:

CONSTANT POWER: $\geq 40W$

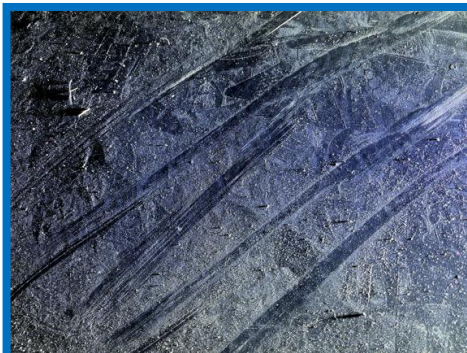

LIGHT SOURCE: LaserLights Technology

BATTERY: Rechargeable Li-ion batteries. Battery capacity: 5000mAh
Battery running time up to 45 min

CHARGING: TYPE-C charging mode, Low battery indicator.

Charging Voltage: DC5V; Charging current: 1-2A

PORTABLE: 150 * 95 * 40 mm (including 95 * 56 * 34 mm replaceable battery part)
0.7KG (including 0.2KG replaceable battery part)

United Social Credit Code(Business Licence): 91330104736016531K
