TURBOCAD 2022 PLATINUM CAN HELP YOU DESIGN PROJECTS SUCH AS:

- Advanced mechanical designs
- Architectural drawings
- Remodeling plans
- Inventions and patent designs
- Prototyping with 3D printers
- Mechanical drawings
- Furniture design, woodworking, and cabinetry
- Musical instruments
- Graphics and technical illustrations
- Product and Packaging design
- 2D drafting, diagraming and schematic drawings
- Custom manufacturing from CAD to CNC

WE WILL HELP YOU LEARN:

TurboCAD includes set up wizards, context-sensitive help, snaps, alignment aids, handle-based editing, and a flexible user interface. These will shorten your learning curve, and improve your productivity and design efficiency. Your purchase includes 6 months of free technical support, as well as access to our training tutorials, so you will not have to learn through trial and error. We are experts at creating CAD software and our tutorials will help you to become an expert user quickly. Plus, Context Sensitive help and a choice between using an offline PDF manual and our Online help portal.

SIMPLE AND FLEXIBLE PRICING:

We offer TurboCAD 2022 Platinum in two different pricing models to best suit your needs.

PERMANENT LICENSE -

Download once and own it forever. Ideally suited for users who need a single license or users who feel they may not need to upgrade each year.

ANNUAL SUBSCRIPTIONS -

This is ideal for multiple user seats. With an active subscription, you will always be receiving the latest enhancements and new functionality.
